

91<sup>st</sup> Annual Western Snow Conference  
Corvallis Oregon, April 22-25, 2024  
ORAL PRESENTATION SUBMISSION REQUIREMENTS

Because of the number of presentations and to reduce confusion and stress on the audio-visual volunteers, this year we will follow the format of many major conferences and require that all oral presentation PowerPoints be SUBMITTED BY MONDAY, APRIL15, AT 5 PM.

Presentations in .PPTX or .PDF must be emailed to the WSC Editor, Bruce McGurk, at [brucemcgurk@comcast.net](mailto:brucemcgurk@comcast.net). Emails in excess of 25 MB should be uploaded to a cloud service and a private link sent to the above address. The Editor will acknowledge receipt of each oral presentation and organize them by session before the Technical Sessions begin on Tuesday morning, April 23. Revised presentations may be inserted at the Editor's discretion during the technical sessions.
