

## **2024 Western Snow Conference Technical Tour**

**Thursday, April 25, 2024**

The WSC Technical Tour will focus on visits to marine estuaries and research institutes in Oregon. Stops will include the Oregon State University Hatfield Marine Science Center which is the base for distinguished oceanographic research and education in partnership with 6 State and Federal agencies. In addition, we will visit the Oregon Coast Aquarium, a premier center of ocean health research, which is supporting marine wildlife and fosters environmental stewardship through its education programs, community partnerships, and rehabilitation efforts. Lunch at the Rogue Ales and Spirits Brewpub in Newport. More information and details will be forthcoming.
