Tuesday, May 20, 2025

7:30 – 9:00 pm

Please join us for a short play called “No Winter’s Tale”. This modern-language adaptation of Shakespeare’s “The Winter’s Tale” takes place at a ski resort in the Rocky Mountain West. It reimagines Shakespeare’s tale of jealousy and loss against the backdrop of a changing climate, as a snow scientist and a resort owner struggle to find common ground.
