

92nd Annual Western Snow Conference

Bozeman, MT – Emerson Center 19-22 May 2025

Thank you for your abstract submission. We look forward to having another great conference with many terrific presentations. Below is a list of general requirements for either an oral presentation or a poster presentation. All presentations, oral or poster, require an associated written paper that will be published in the Western Snow Conference Proceedings. A digital copy of the conference presentation (typically a PowerPoint or PDF) is due by May 15, 2025 and should be submitted via email or cloud service link. See the Author Information documents on the WSC web for formatting details, examples, and a template.

Authors should also attend the Author Breakfast and be at their sessions early to coordinate with the Session Moderator. Mac PowerPoints should be converted to PDF format or saved in Windows-readable format.

Oral presentations:

- Time allotted is ~15 minutes for the presentation and questions.
- The presentation must be in a Windows-compatible Microsoft PowerPoint or PDF format if originating on a Mac.
- The presentation may be recorded and published to the Western Snow Conference website.
- All authors are strongly encouraged to have their entire presentation in PowerPoint. If external programs (video, animations, etc.) are used, embed those within the PowerPoint or put them in a folder with the PowerPoint. It is safer to do screen captures of the results/plots produced by the external program.
- All presentations must be submitted to the Editor by May 15, 2025 via email or cloud service link.

Poster presentations:

- The maximum poster size is 48"x36".
- Bring a minimum of 10 copies of the poster printed on 8.5"x11" paper or larger to hand out at the conference.
- Poster presenters are required to be near their poster during the poster presentations during the poster session to answer any questions.

Bruce McGurk, Editor (brucemcgurk@comcast.net)
