

## 2024 Western Snow Conference

### Second Annual Women's Lunch

**Wednesday, April 24, 2024 12:00 - 1:30**

Western Snow Conference attendees are invited to the second annual WSC women's lunch, inclusive of trans women and nonbinary folks. The goal of this lunch is to build community among folks who have historically been gender minorities at Western Snow, and to have fun! We'll meet up on Tuesday during the lunch break, and will either find a local restaurant or do a bring-your-own brown bag lunch.
